
Why Behave Think Scientist Dru Hunter

the causes of behavior - pages.ucsd - we behave occur within our body, and it is easy to take them as the causes of our behavior. if we are asked why we have spoken sharply to a friend, we may reply, "because i felt angry." it is true that we felt angry before, or as, we spoke, and so we take our anger to be the cause of our remark. asked why we are

course summary: why do animals behave the way they do? - course summary: why do animals behave the way they do? "i learned that everybody in their own way is a scientist. i am a scientist because i can observe things in my own way and make hypotheses." -walter doyle, 8th grade student "before i thought science was only in the lab. i learned there are many branches of science. you can
